### MESSAGE FROM RICHARD GIARDINO:

Dr. Robert Kemp and his wife, Marilyn were very active in this community - he as a physician and she as a teacher. Upon their death, I had the honor of being the Trustee for the Kemp Family Foundation. They chose four benefactors to receive funds annually from their foundation that were in conjunction with their values. First, Nathan Littauer Hospital to promote physical well-being; Second, FMCC to promote education; Third, Mountain Valley Hospice for end-of-life well-being; and lastly, Foothills United Methodist Church because of their belief in Spiritual well-being. Their dream was to see the new **Foothills Worship and Mission Center** built at the location on Route 30A. I know any support for the FUMC building project would help fulfill their dream.

All proceeds to go  
to building project  
on Route 30A -  
Future home of  
Foothills Worship &  
Mission Center
